WHAT'S NEXT?

Successful candidates will fulfil the main entry requirements for NCC Education's Level 4 Diploma in Computing or Level 4 Diploma in Computing (with Business Management), as well as having opportunities to access a range of higher education courses or employment.

Examples of higher education opportunities include, but are not limited to, progressing to university degrees in Software Engineering or Computer Science, Computer Networking Systems, Digital Media Technology, Computer Forensics and Security.

Examples of employment opportunities include roles such as IT Helpdesk Professional, Data Entry Clerk, IT Support Technician and Computer Service and Repair Technician.

NCC Education has recognition with over 70 universities in the UK, Ireland, Canada, USA and Australia, for students who want to complete their degree overseas at an international university campus.

These provide university progression routes enabling students to further their study and career choices.
